"They say  
that life  
is a highway  
and  
its  
milestones  
are  
the  
years."

Joyce  
Kilmer

"Like a bridge over  
troubled water, I  
will lay me down."

Paul Simon

"The true teacher defends his pupils against his own personal influence. He inspires self-distrust. He guides their eyes from himself to the spirit that quickens him. He will have no disciple."

Amos Bronson Alcott

Our "true teacher" has generously given of himself to our class in a time when few have the interest and understanding for young people. He has utilized this to our advantage, inspiring us to think open-mindedly as individuals. Therefore, Mr. Bertrando, we dedicate our '72 BLUE AND GOLD to a really fantastic person! Thank you, Mr. B.!

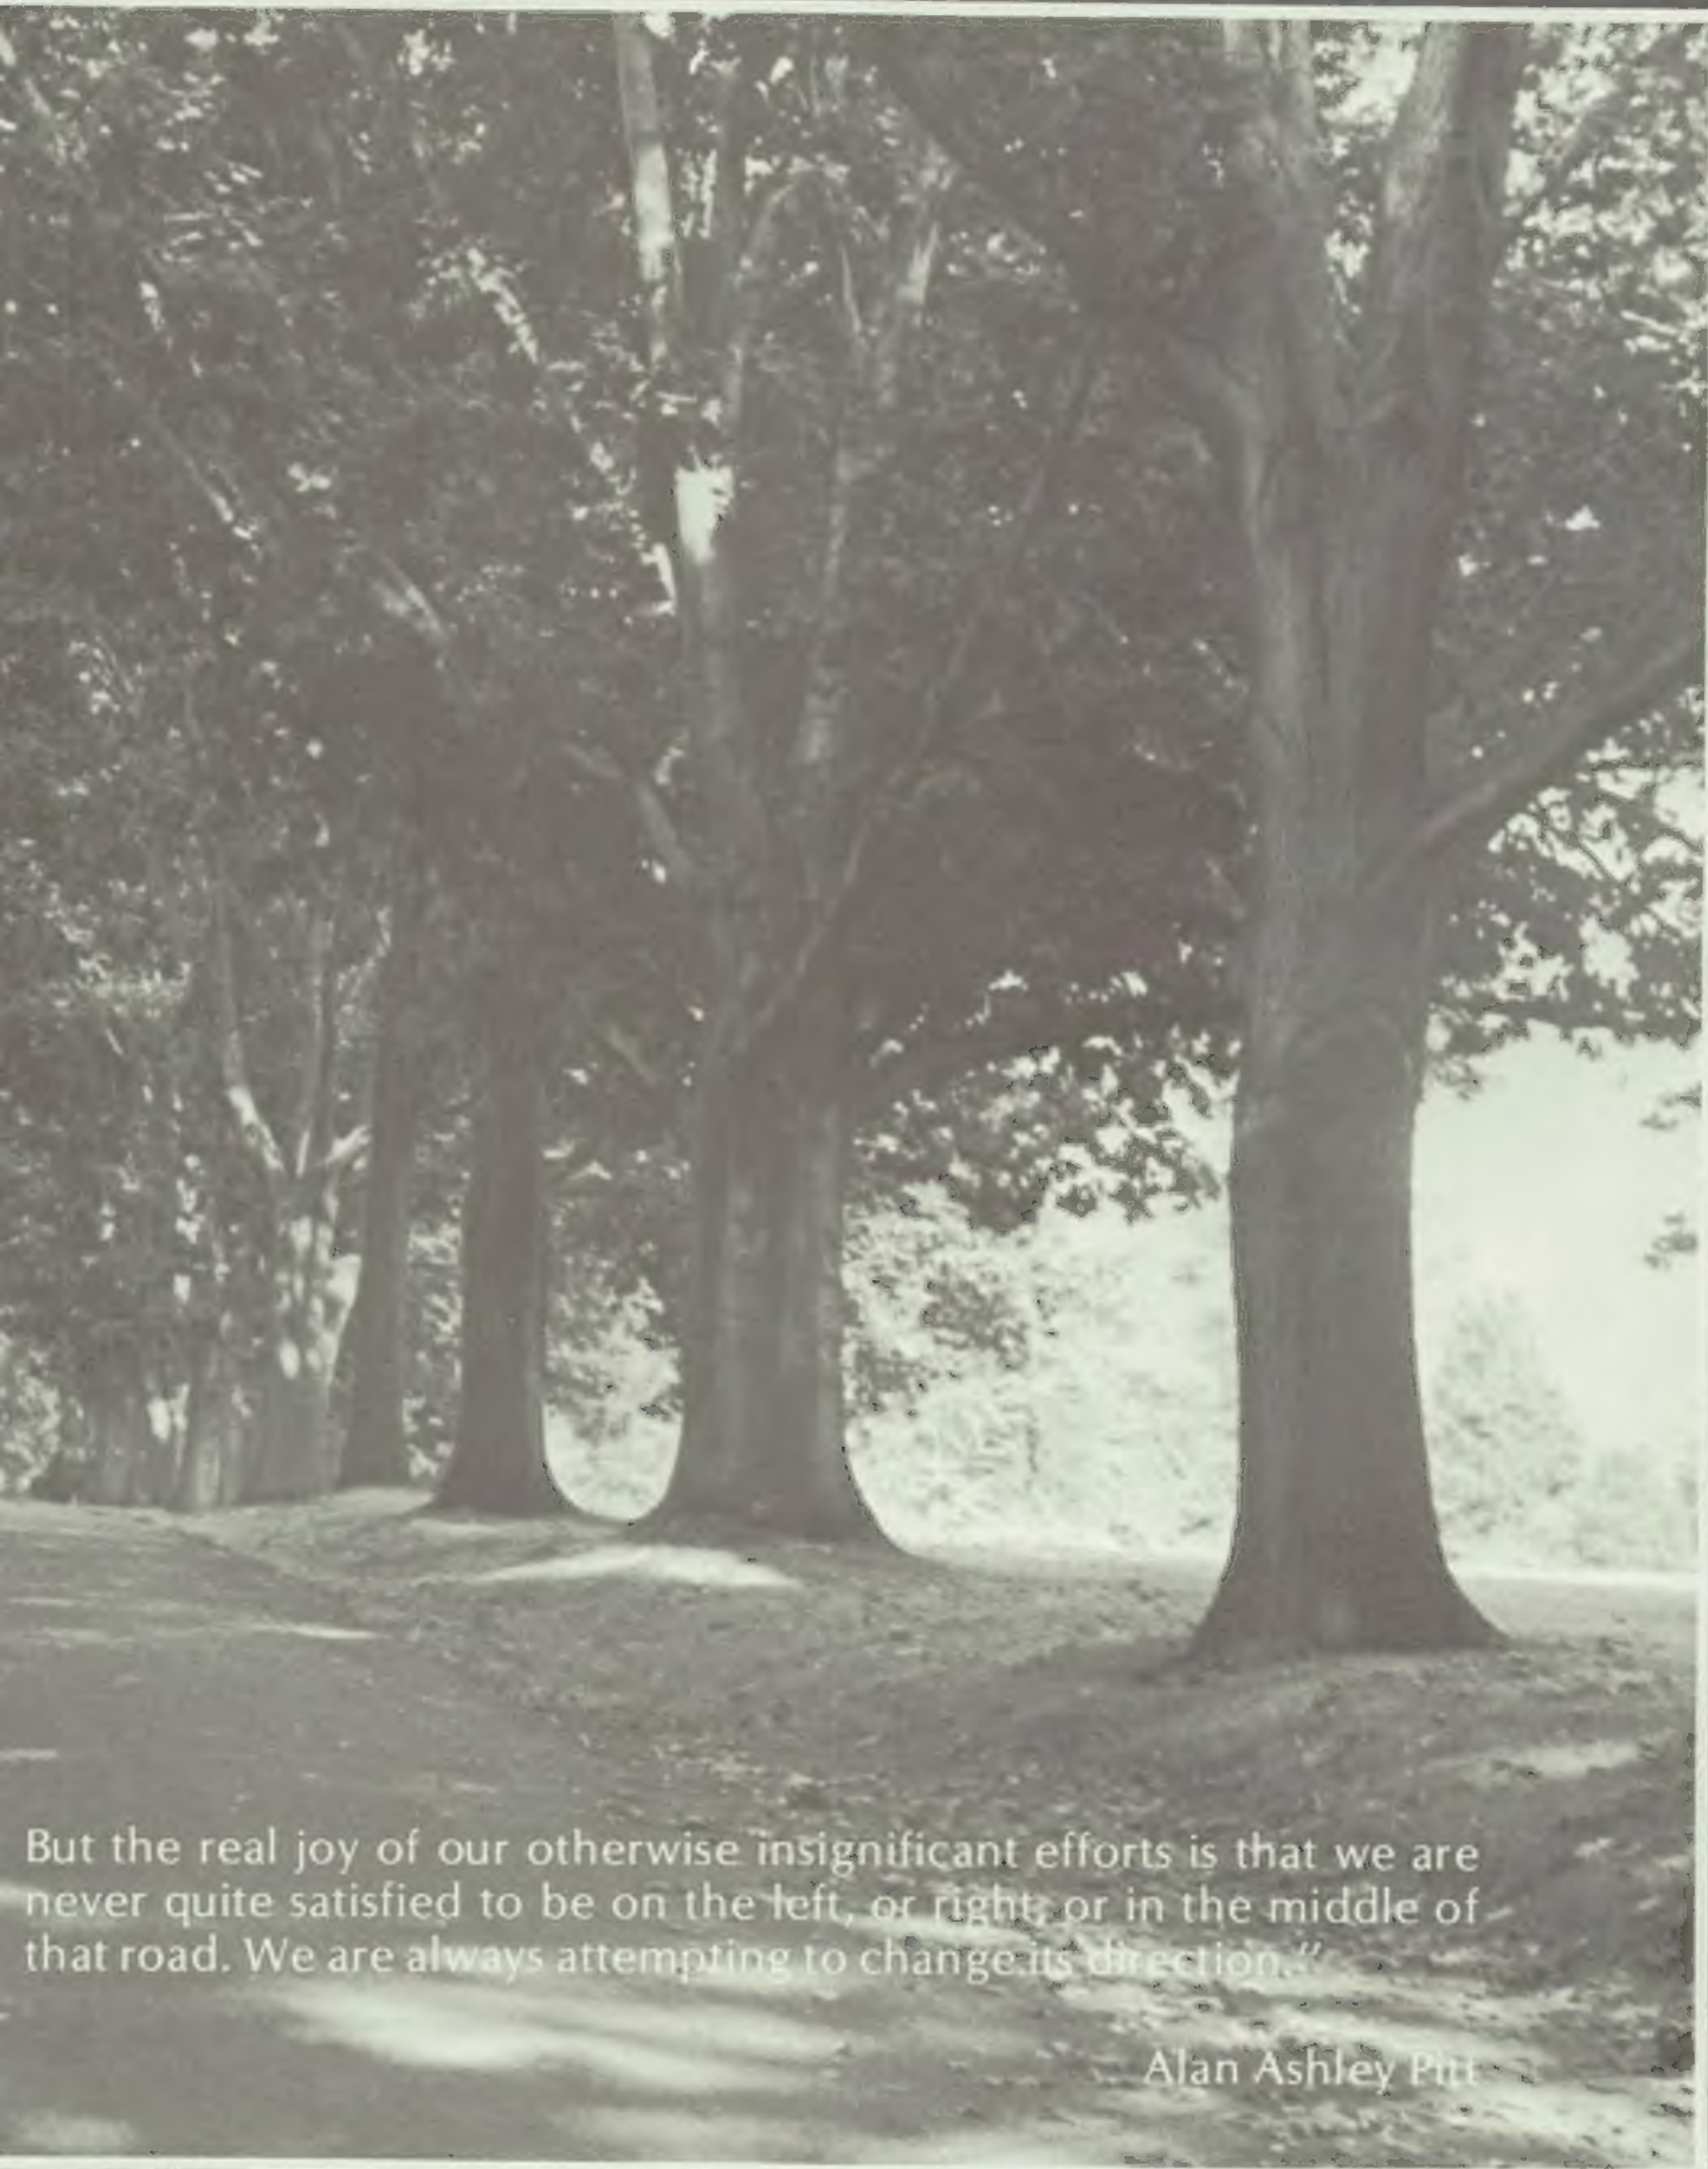

"We travel along the road of life hardly knowing what we are, yet always daring to be something; seldom saying what we mean, but never afraid to have meaning; sometimes failing in our endeavors, though never tempted to cease trying; seeking satisfaction at every level, yet never defining happiness: often apologizing for our existence, while realizing that life is its own excuse.

# ROADS CONNECT

But the real joy of our otherwise insignificant efforts is that we are never quite satisfied to be on the left, or right, or in the middle of that road. We are always attempting to change its direction."

Alan Ashley Pitt

Jerry, Don't forget all the good years we  
had together. Don't forget when my parents  
would go out. All the fun we had in 7th grade.  
with everybody else. We even had a lot of mad  
times with each during the years. There's really  
nothing to say because you can see each other this  
summer. And Jerry thanks for all the fun you  
gave me.

A black and white photograph of a country road. In the foreground, a wooden fence runs diagonally across the frame. Beyond the fence, a dirt road leads into the distance, flanked by trees and foliage. The scene is captured in a soft, slightly blurred style, typical of older film photography.

"I guess my feet know where they want me  
to go, walking on a country road."

James Taylor

"I got land that I can't sell, I got a road,  
I need a car to get me home, I need a car to get me home,  
I need a car to get me home, I need a car to get me home."

John Williams

"Ma is not in any means of word  
He is nothing else than the  
between nature and spirit

Hermann

"It has always seemed to me that the best  
symbol of common sense was a bridge."

Franklin D. Roosevelt

"O life! thou art a galling load,  
Along a rough, a weary road,  
To wretches such as I!"

Robert Burns

"My road shall be the road I made;  
All that I give shall be repaid."

John Masefield

'First across the gulf we cast  
Kite home our reeds, till lines are passed  
And hab it binds the bridge at last'

John Boyle O'Reilly

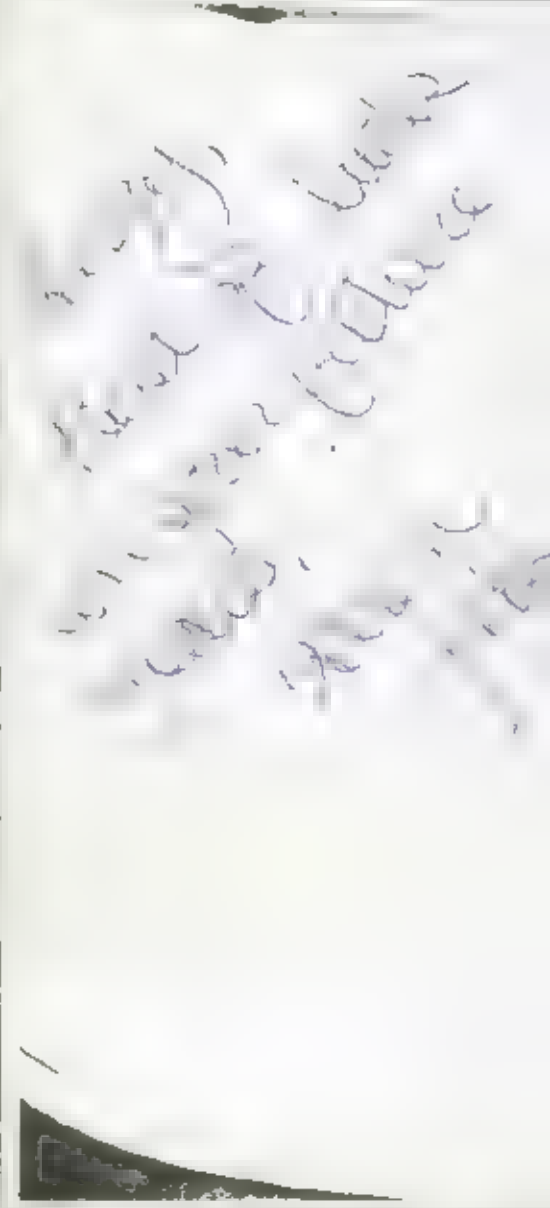

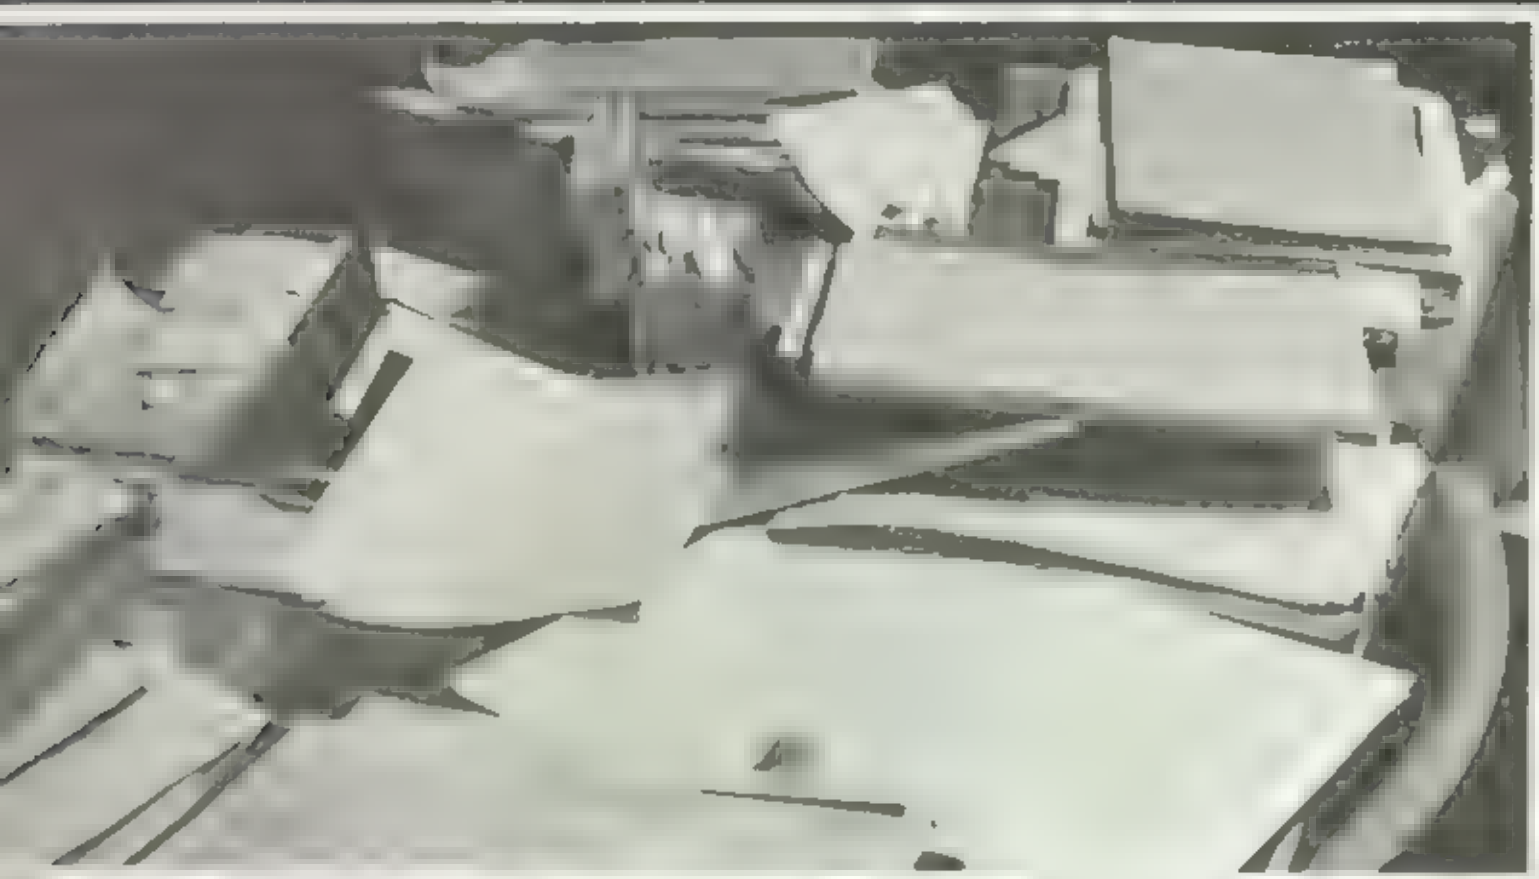

So on a Tuesday, the seconds ticked by me  
and I knew so much left to know, and I'm on

"The greatest thing in this world is not so  
much where we stand as in what direction  
we are moving."

Although the 1983-84 Soccer Team did not bring home the championship, they made up for it in their spirit and enthusiasm. According to Coach Kane, at first the boys played as individuals rather than as a team. The coach believes that this was their trouble in the start of the season; however, by the end of the season the boys had begun to play as a team. Good luck next season!

## VARSITY BASKETBALL

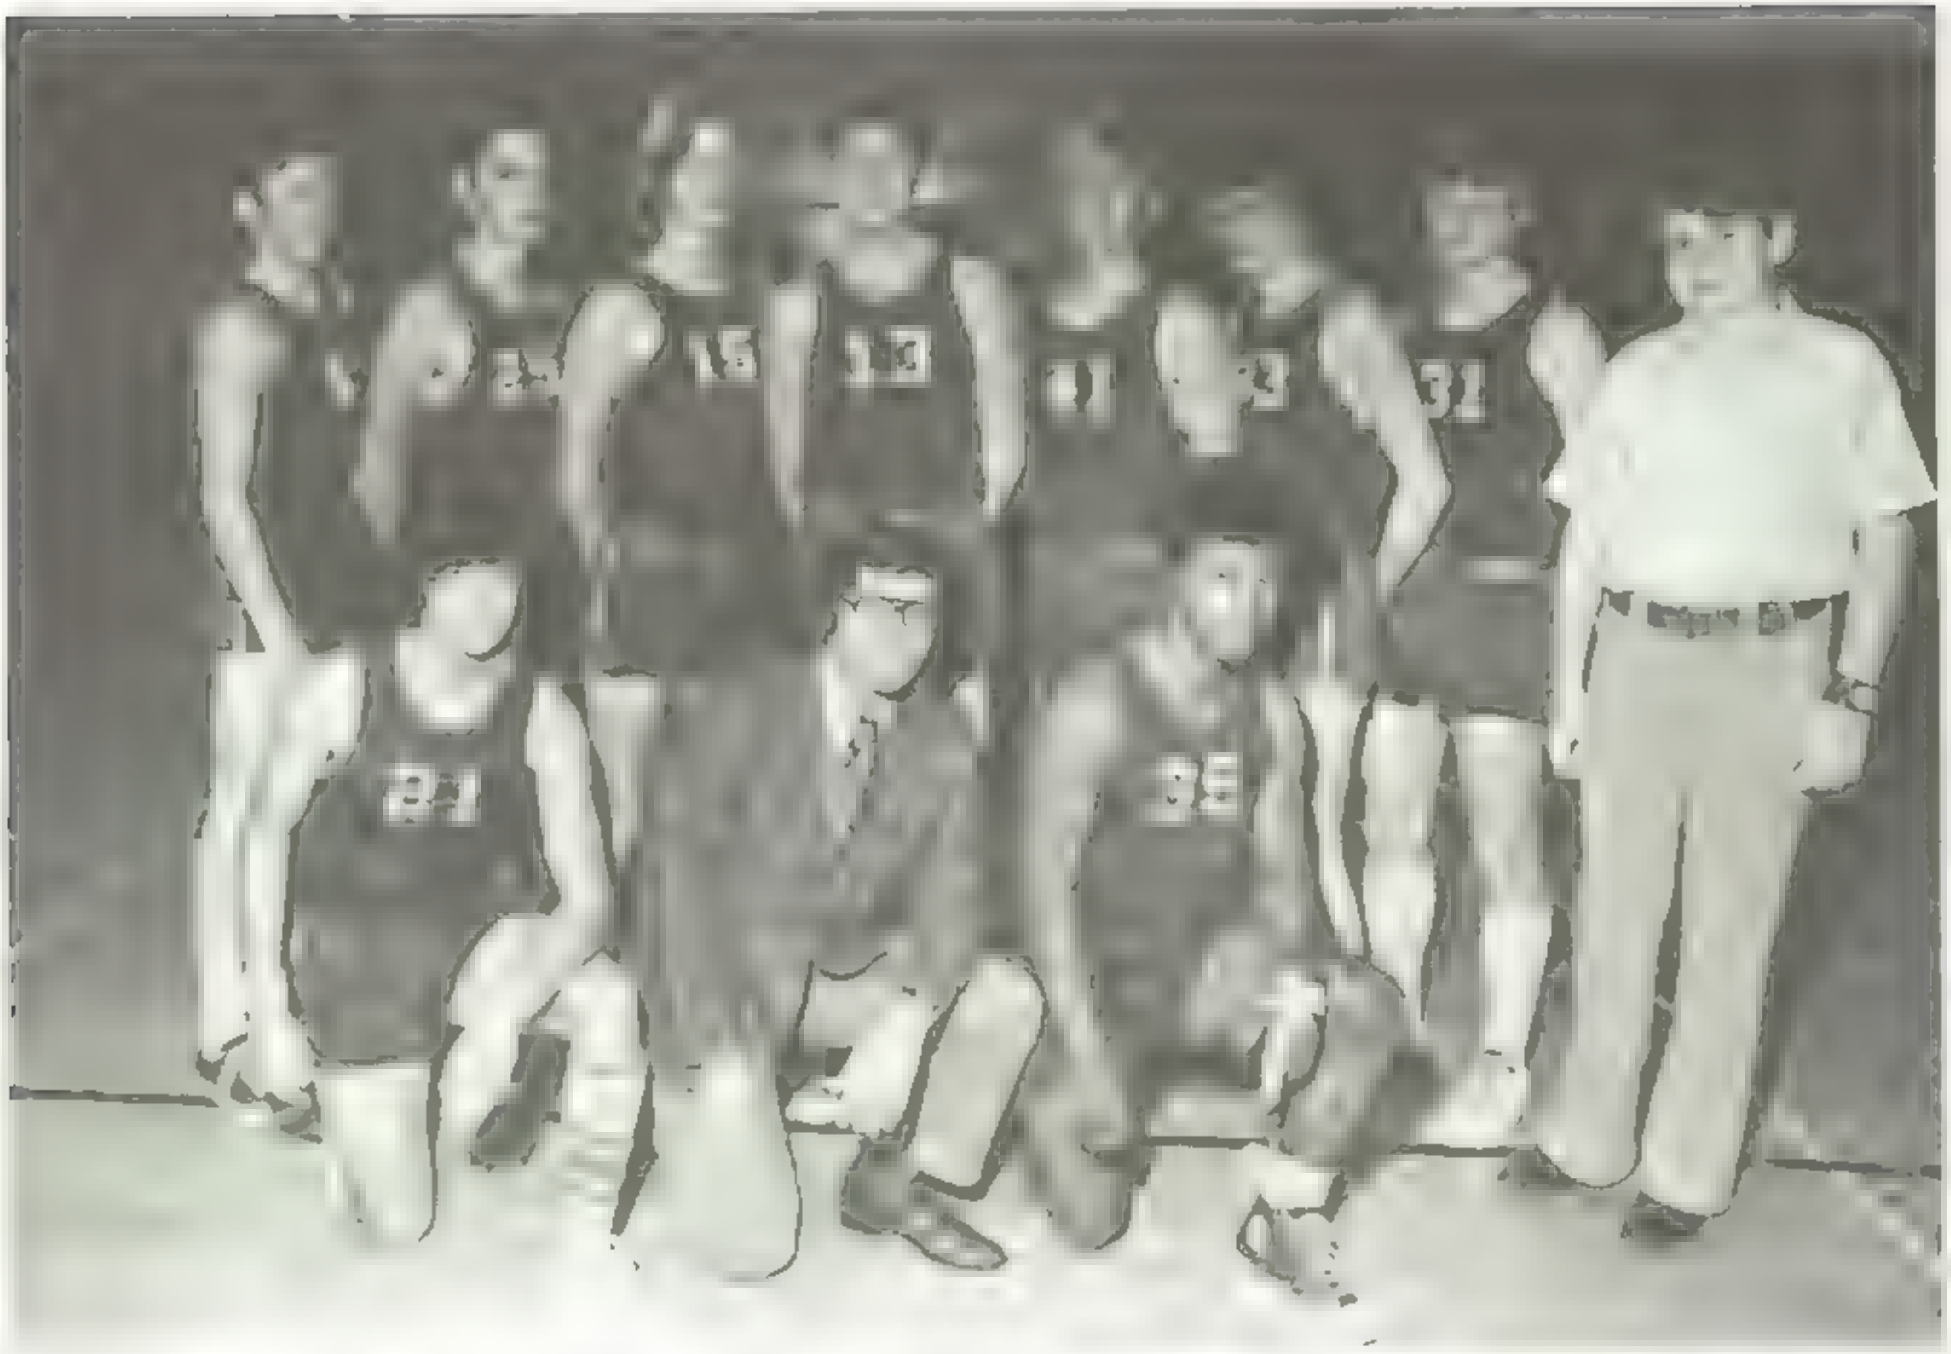

Although our team started off on the wrong foot, the boys came back in the first half of the season and through their long and hard work, the team achieved a 1-1 place in the league. We are sure from this year's performance that next year's team will do even better.

This year the Senior Play was a great success. The new decision to allow underclassmen to participate as cast members increased interest in the play. The cast worked long and hard to bring off this hilarious comedy and the work paid off. We can only hope that future plays will receive the same amount of enthusiasm that this play received.
